The world is bejeweled with many fabulous island retreats, but the most enchanting are the islands located in the tropical zone. Their golden sun, ivory sand, and turquoise seas beckon. This pocket planner features a vivid wraparound image that will transport you to a restful tropical shore. The softbound, two-year (2018–2019) planner is an essential for portable monthly and long-range planning. Unfolding from a convenient 3.5" x 6.5" size into a 7" x 6.5" monthly calendar grid, this format is only slightly larger than a checkbook and fits neatly in a pocket or purse. Features include planning pages and several additional pages for notes.
