Whether goofy, serene, or hilariously terrifying, Seth Casteel's remarkable photographs of dogs playing underwater reveal a side to their eyelids, gums, and tongues that one could never have seen on dry land. From blasé retrievers to googly-eyed mutts, there's an underwater dog for every mood and inclination. This two-year pocket planner is only slightly larger than a checkbook and features an amusing cover image, planning pages, and room to take notes.
