Ancient legends say the Northern Lights appear when the sky-dwellers light torches to guide souls to the heavens. Others say they're animal or human spirits dancing or playing. Today we know the Aurora Borealis occurs when charged particles emanating from the sun interact with the Earth's magnetic field. Still, we remain fascinated by these shimmering curtains of light. The Aurora Borealis: The Magnificent Northern Lights square wall calendar captures this breathtaking phenomenon with stunning photos, allowing you a fresh glimpse each month of brilliant displays of color and movement.

Plato Calendars is committed to sustainability. Our wall calendars are printed on Forestry Stewardship Council (FSC) certified paper from managed forests and are printed with soy- and vegetable-based inks, which are less harmful to the environment than petroleum-based alternatives.

Cover image and design subject to change.
